A screenshot of a web-based 'Admin Panel' for managing supermarket layouts. The main area shows a digital floor plan of a supermarket with various departments labeled: DRINKS, BAKERY, FRIDGE, DAIRY, CHEESE, MEAT, DAIRY, PANTRY, VEGETABLES, FROZEN, SWEETS, OTHER, and FRUIT. An aisle is currently selected and highlighted with a red border. On the left, there are buttons for 'Manage Products', 'Draw', 'Move', 'Resize', 'Delete', and 'Distribute Products'. To the right, a table titled 'Add Products to this Aisle' lists several food items with their prices and options to add or remove them from the aisle:
